

POCKETS | CHANGE

Let's Build Financial Resilience Together!

Financial education is more than numbers, it's a tool for self-care & social justice. Pockets Change's K-12 & college programs make it easier to talk, teach, and learn about money.

Making Change Happen through Hip Hop Pedagogy

Discovering our relationship with money

Building skills to navigate financial systems

Creating community for action and advocacy

Workshops, Curriculum, & Professional Development for K-12 & College Students, Parents, and Educators
